

## Cat Armature Template

**Top of head** →   
(May vary slightly depending on fur)

 - Joint, leg can bend at this point

 - Backbone and tail, all one pipe cleaner/wire, if possible

 - Legs

For details of how to construct a cat armature from pipe cleaners or wire please watch my YouTube video called Fearless Armatures for Needle Felting Beginners

here: <https://youtu.be/0I91vk6BaZ8>
